Welcome back to Slice of India! Due to the Coronavirus restrictions we have made a few changes. We are currently unable to offer you a buffet, so instead, we will be bringing all your culinary favourites straight to your table.

We still want you to be able to enjoy a range of dishes, so we have introduced our great value bottomless main course Thali and you can add additional starters and desserts at the additional charges below. Why not go for one of our starter selections to share?

All your courses will arrive at the same time if you order together so that you can graze as you wish. Feel free to keep ordering extra dishes as you want them, they'll be over to you in a matter of minutes after ordering. If you need anything just ask one of your waiting staff.
